

SUNDARGARH PUBLIC SCHOOL

ANNUAL OVERALL RECORD

A Brief Report:-

Sundargarh Public School stands as a beacon of holistic education, committed to nurturing young minds through a balanced blend of intellectual, physical, moral, and social development. Established in 1980, the school was founded with a noble vision—to address the declining academic standards and the erosion of values in society. Since its inception, it has consistently served the educational needs of the people of Sundargarh with dedication and sincerity.

The school takes pride in maintaining a high standard of discipline and fostering a warm, family-like atmosphere where every student feels valued and supported. It strongly believes that education goes beyond textbooks, and therefore, provides ample opportunities for students to broaden their horizons, develop confidence, and grow into responsible individuals.

Nestled amidst a lush green campus, the school offers a serene and inspiring environment for learning. Its well-equipped composite laboratory and spacious open playground provide students with the perfect setting to explore, experiment, and excel both academically and physically.

Recognized by the Government of Odisha and affiliated with the CBSE, Sundargarh Public School has built a strong reputation for academic excellence. Year after year, its students have brought laurels to the institution by performing exceptionally well in CBSE and other examinations.

More than just an educational institution, Sundargarh Public School is a place where values are instilled, talents are nurtured, and futures are shaped. It continues to strive towards excellence, inspiring generations of learners to dream big, work hard, and contribute meaningfully to society.

Mission:-

At Sundargarh Public School, our mission is born from a deep belief that every child deserves the light of quality education. We dream of transforming Sundargarh into a hub of educational excellence, where opportunities are not limited by background, but guided by potential.

We are committed to bringing the standards of the finest education within the reach of every learner, irrespective of caste, creed, or religion. With dedication, compassion, and a pursuit of excellence, we strive to nurture young minds who will not only succeed in life but also contribute positively to the world around them.

Vision:-

Our vision is to create a school where learning goes beyond textbooks and touches lives. At Sundargarh Public School, we aspire to shape individuals who are not only academically strong but also kind-hearted, confident, and thoughtful human beings.

We believe in igniting curiosity, encouraging creativity, and building the courage to think differently. Through experiential and art-integrated learning, we prepare our students for life helping them grow into lifelong learners, responsible citizens, and compassionate leaders in an ever-changing world.

With a focus on holistic development and 21st-century skills, we aim to empower every child to discover their true potential and walk forward with confidence, purpose, and pride.

Academics:-

Excellence in Education, Empowering Every Future."

Academic excellence lies at the very heart of our educational mission at Sundargarh Public School. We believe that true education goes beyond textbooks—it shapes character, ignites curiosity, and prepares young minds to face the challenges of an ever-evolving world with confidence and integrity.

With academics as our foremost priority, we provide a stimulating and resource-rich learning environment, guided by dedicated educators who inspire, mentor, and lead by example. Our approach blends strong foundational knowledge with innovative teaching practices, ensuring that learning remains engaging, meaningful, and future-ready.

We are deeply committed to inclusive learning. Recognizing that each child learns at a different pace, we conduct structured remedial classes to provide personalized attention and support. Our goal is to uplift every learner, bridge gaps, and ensure that no student is left behind in their journey towards success.

At SPS, we don't just educate minds—we nurture potential, build confidence, and shape responsible citizens of tomorrow.

Science & Innovation:-

"Igniting Minds Today to Shape the World of Tomorrow."

Science today is the driving force behind the technology of tomorrow, and creativity is the key to unlocking its true potential. At our school, we go beyond textbooks to cultivate curiosity, critical thinking, and innovation in every learner.

Through our annual Science, Art, and Craft Exhibitions, students are given a dynamic platform to explore ideas, present cutting-edge concepts, and transform imagination into impactful creations. These experiences not only enhance their scientific knowledge but also empower them to become confident problem-solvers and innovators.

Our students have consistently earned laurels at State, Zonal, and National levels, and have proudly represented the school on international platforms. Their achievements stand as a testament to our commitment to excellence and our vision of nurturing future-ready global citizens.

We don't just teach science—we inspire discovery, creativity, and the courage to innovate.

Eco-Club :-

We adopt a holistic approach towards the environment. The Eco-Club of our school actively engages in planting trees in and around the locality, contributing to a greener and healthier ecosystem.

Our school has been honoured with the "Prakruti Mitra" Award, and our respected teacher, Shri Ashok Kumar Parida, has been conferred with the "Prakruti Bandhu" Award by the Government of Odisha.

This year, we celebrated Earth Day under the guidance of our Principal, Dr. Puspamitra Sarangi. Teachers and students participated enthusiastically in large numbers, making the event a great success.

These achievements reflect our continuous commitment to environmental conservation and sustainable development.

PTA Meeting :-

The Parent-Teacher Association (PTA) Meeting is an integral part of Sundargarh Public School, conducted on every second Saturday with great enthusiasm and commitment. It serves as a vibrant platform where parents and teachers collaborate to ensure the holistic development of every child.

These meetings focus on meaningful discussions related to academic performance, behavioural growth, discipline, and overall well-being of the students. Strategic plans and student-centric programmes are designed jointly, ensuring continuous improvement in both teaching-learning practices and the school environment.

Our school has achieved remarkable academic excellence through this strong partnership. In the recent board examinations, the school recorded an outstanding 100% pass result in Class X, with % students securing First Division and 13 students scoring above 90%.

Top Performers:

1. Chinmaya Kumar Mishra - 97.2%
2. Silkysmita Patel - 97%
3. Md.Farhaan Raza - 95.6%

Alongside academics, our students have brought laurels in sports and co-curricular activities at district, state, and national levels, reflecting their all-round development.

A matter of immense pride is the successful implementation of the ANWESHA Scheme, under which nearly 91 students from underprivileged backgrounds are being provided quality English-medium education. Their steady academic improvement, discipline, and confidence stand as a testament to the collective efforts of teachers and parents, strengthened through regular PTA engagement.

The PTA promotes transparency, mutual respect, and shared responsibility. Important decisions are taken unanimously, always prioritizing the welfare of the students. It strengthens the bond between school and home, creating a nurturing and progressive learning ecosystem.

As rightly said, "Education is a shared commitment between dedicated teachers, motivated students, and supportive parents."

Through these regular PTA meetings, we continue to strive for excellence, ensuring the overall growth and success of every learner.

SMC Meeting :-

The School Management Committee (SMC) Meeting is conducted at regular intervals of three months, serving as a vital platform for collaborative planning and decision-making. During these meetings, SMC members engage in meaningful discussions focused on the holistic development of the school and the overall betterment of the students.

The committee places special emphasis on maintaining high standards of hygiene, ensuring cleanliness across the campus, upgrading infrastructure, and fostering continuous academic growth. Strategic plans are formulated to create a safe, healthy, and stimulating learning environment that nurtures both the intellectual and moral development of students.

Through collective vision and dedicated efforts, the SMC plays a crucial role in strengthening the foundation of the institution and guiding it towards excellence.

Thought:

"A school flourishes where planning meets purpose, and every decision is driven by the welfare of its students."

Overall Result :-

The students of our institution have consistently demonstrated excellence by actively engaging in a wide spectrum of academic, co-curricular, and extracurricular pursuits. Their unwavering commitment to learning is reflected in their outstanding performance across education, games, sports, science, and creative domains.

Guided by the core values of integrity and wisdom, our students are steadily building a strong foundation of discipline, responsibility, and purpose. Their dedication, perseverance, and enthusiasm continue to bring laurels to the school at various levels.

Our learners enthusiastically participate in a variety of intra-school and inter-school competitions, including essay writing, debates, music, dance, and other cultural events, where they have secured remarkable achievements and accolades.

In alignment with the vision of the National Education Policy (NEP) 2020, the school has effectively embraced the Experiential Learning methodology. This progressive approach fosters critical thinking, creativity, and conceptual clarity, ensuring that learning becomes engaging, meaningful, and joyful.

Through a harmonious blend of academic rigor and holistic development, our school is committed to nurturing confident, competent, and compassionate individuals who are well-prepared to face future challenges and contribute positively to society.
